

**DIVE CHICAGO™ TRAINING 312-922-5090**  
**Open Water Diver (beginners' course) 2 for 1 Steps**

# **Welcome to the simplest and most complete scuba diving course in Chicago!**

## **Here's how to start:**

1. First purchase the 2 for 1 package from us. Included in that package you will find 2 open water crew-pak's (one per student) 1 Open Water Diver Manual and 1 DVD. (A second book is available for an additional \$16 plus tax)
2. Next review the PADI Medical Statement if you will be answering any of the questions yes, please let us know.
3. Then read Modules 1-3 in the book, view modules 1-3 on the DVD and complete the knowledge reviews.
4. Now you're ready to continue on with the course and schedule our first meeting.
5. Next we meet together for about 1 ½ hours to review your knowledge reviews and complete your academic training for modules 1-3 we also schedule your pool sessions at this point. (If we use the heated pool in Orland Park this will take 2 to 3 hours depending upon your comfort level)
6. Read Modules 4 and 5 in the book, view modules 4 and 5 on the DVD and complete the knowledge reviews.
7. This is where we meet again with you for about 1 ½ hours and go over your knowledge reviews and complete your academic training and you take your final exam.
8. After completing your academics, pool training, and final exam you are ready for your 4 open water training dives. Decide if you want a referral letter (for doing your dives with another instructor in warmer climate skip 9 and 10), do your dives on Lake Michigan with us, or at a quarry with us.
9. Rent or buy your open water gear.
10. Do your dives with us on Lake Michigan at a bargain price or at one of the quarries (groups of 4 to 10 for quarry).
